

WOODEN RAILWAY SYSTEM

Please take one

This Wish Book Belongs To

Genuine BRIO® Wooden Railway

This Wooden Railway wish book/catalog is identical to the 1997 Wooden Railway wish book/catalog except for the front cover image, the printing date on the back, and a four-page addendum inserted into the middle. BRIO re-used the 1997 catalog for 1998, adding only the addendum and making the aforementioned cover changes.

In order to save disk space and bandwidth, only the insert has been included in this PDF.

Late.
Breaking

Additions

33456 Grand Roundhouse

Big and roomy with doors in the front and back that open and close.

33328
The Fix-It-Shed
Trains needing repairs stop at the Fix-it Shed. Three stalls with doors that open and close.

Late-Breaking Wooden Railway Additions

33384 Cross-Cross Track
A great addition to any child's Wooden Railway collection.

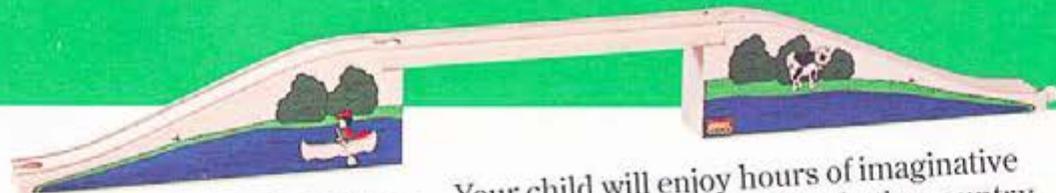

33382 Windmill

Reminiscent of those in Osby, Sweden, this windmill spins with a simple turn of the knob.

33338 3-way Parallel Switch
Give your young engineer more choices in building layouts, with this new set of switches.

Genuine
BRIO

33468 Scenic Bridge

Your child will enjoy hours of imaginative play engineering train rides in the country.

33469 Sky Bridge

This bridge and tunnel-in-one offers trains a variety of travel options.

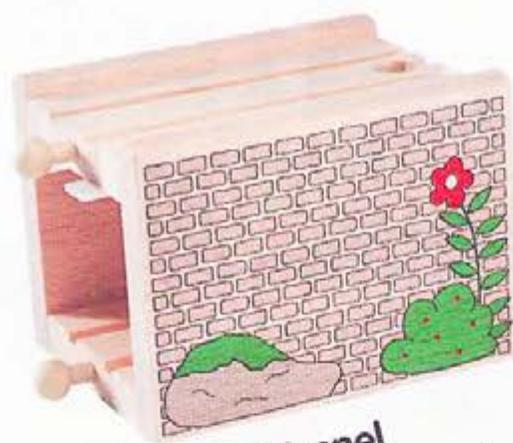

33471 Country Tunnel

This picturesque tunnel features BRIO's signature painted graphics.

35882 Deluxe Railway Board

A larger, steady place for young engineers to set up their railway playscapes. Dimensions: L-48" x W-32"
(Colors on the board may vary.)

33470 Stone Tunnel

Whether it's over or through, it's twice the fun all-in-one. Two pieces of ascending track included.

35883 Deluxe Railway Table

BRIO's sturdy play table will brighten up any child's bedroom or playroom. Dimensions: L-49 1/2" x W-33 1/4" x H-17 1/2"

**33232
Crane Truck**

Double the fun with a crane that extends twice its length and turns 360 degrees.

33233 Utility Vehicle

Emergency rescues are easy with this versatile vehicle. Lift the driver in the basket and rotate 360 degrees.

NEW!
**Load and Lift
Vehicles**

33231 Front Loader
With just the touch of a finger, the fork loads and lifts cargo.

33438 Shinkansen Nozomi

Now boarding, an updated version of Japan's high-speed bullet train.
